This diagram shows a cross-sectional view of a multi-layered assembly. A central vertical component, labeled 11, passes through a series of horizontal layers. The layers are labeled 13, 19, 21, 23, 24, 25, 27, 29, and 31. The central component 11 has a central core 27 and a surrounding layer 29. The layers 13, 19, 21, 23, 24, 25, 27, 29, and 31 are shown in cross-section, with some having a stippled texture. The assembly is symmetrical about a vertical center line.
